Please briefly describe the circumstances making financial assistance necessary: _____

If the camper has a church home, it is highly recommended that this application be taken to the pastor of that church BEFORE submitting it to Beaver Creek. Many churches have funds available which the Beaver Creek Scholarship Committee may supplement, making financial aid available to more campers.

In order to offer assistance to as many youth as possible, the scholarship committee will grant only a limited number of full scholarships. Thus, **the committee looks more favorably on applications on which the family, a church, and/or other organization contributes some portion of the camper's fees.**

2018 camp fees are \$365 per camper except 1st & 2nd Grade Camp = 150 and Family/Grand Camp = \$200 for the first camper and one adult + \$50 for each additional family member.

Please indicate the best estimate for each of the following **(do not leave blank)**:

\$_____ contribution from camper's family

\$_____ contribution from a church or other agency _____

\$_____ contribution from other sources _____

\$_____ **Requested from Beaver Creek Scholarship Committee**
